Michael Angelo Caruso, international author, consultant, and speaker on Campus

By Itollefs on Wednesday, December 11, 2013

Michael Angelo Caruso, an international author, consultant, and speaker on the subjects of leadership, communication, and marketing, presented at the University of Minnesota Crookston on Monday, December 9, 2013. His topic was "Everything Is a Presentation" when he addressed an audience in the Kiehle Auditorium. The following day, he spoke to several classes on the same topics.

About the presentation: Every day we present ourselves to the world. Your simple actions (how you interact, shake hands, greet others, dress, etc.) are continually evaluated by others and influence their decisions about you. Don't miss out on opportunities for success by sending the wrong messages. During this high-energy presentation, you'll learn simple techniques to create and manage your professional image in the workplace.

Caruso's visit was sponsored by the Career Development and Counseling Department and the communication program in the Liberal Arts and Education Department
